

PLEASE JOIN THE COALITION FOR NATURAL HEALTH, TODAY!

healing hands

in chains

This is the alternative to natural health freedom.

The Coalition for Natural Health is fighting to protect natural health practitioners. Wherever there is an opportunity to advance the cause of natural health freedom or wherever it is threatened, CNH is there.

Through strategic legislative initiatives *The Coalition* protects your most basic rights. But we need your personal involvement and financial support to continue the fight.

Membership fees and dues paid to The Coalition for Natural Health, Inc. a non-profit corporation, are not tax deductible as a charitable contribution. However, they may be tax deductible as ordinary and necessary business expenses. Furthermore, membership fees and dues will be nondeductible to the extent they are allocable to expenses associated with lobbying expenses. Currently it is estimated 18.5% of membership fees and dues will be dedicated to lobbying activities on behalf of the members of The Coalition for Natural Health. CNH members believe in the inherent right of natural health freedom in accordance with the positions of The Coalition for Natural Health.
