## LEGISLATIVE ALERT

January 22, 2008

**LEGISLATIVE ALERT - CALL AND  
WRITE TODAY**

**YOUR NATURAL HEALTH  
FREEDOM AT RISK**

**IMMEDIATE ACTION  
NEEDED**

Dear Friend,

The Colorado House of Representatives is considering House Bill 1064 by Representative Jeanne Labuda, D-1, which endangers the future of naturopathy. The bill seeks to license "naturopathic physicians," who went to schools in Washington, Oregon, Connecticut, or Arizona, and then moved to Colorado. These four schools teach what they call "naturopathic medicine," which involves the use of prescription drugs, the use of surgery, and flies in the face of what Benedict Lust intended when he developed the practice of naturopathy.

This letter is to alert CNH members and interested persons. **You can make a big difference by calling and e-mailing the members of the House Committee on Health and Human Service using the enclosed contact sheet and asking them to OPPOSE HB 1064, the bill to license "naturopathic physicians," when it comes up for a hearing on Monday, February 4, 2008.**

What would happen, if Colorado enacts this bill? "Naturopathic physicians" would be elevated to the status of primary care physicians -- without the medical background that comes with hospital internships, residencies and traditional allopathic and osteopathic medical school training. These "naturopathic physicians" could get licensed to diagnose, treat and prevent human health conditions, injury and disease.

By contrast, the overwhelming majority of traditional natural healers such as yourself -- who favor natural and non-invasive preventive care, based on educating clients how to maintain healthy lifestyles, and who pose no threat of harm to anyone -- **would have to either abandon your chosen career or face the threat of being fined and put out of business. This monopolistic, exclusionary legislation is bad news for natural health and for the citizens of Colorado.**

Please take a few moments today to call, fax, e-mail, and write the members of the committee and urge them to OPPOSE HB 1064, the "naturopathic physician's" licensing bill. And remember: this will be a lengthy battle -- the Coalition will be calling on you again to voice your opinion to the legislature. If you have any questions, please also feel free to call us here at the Coalition.

Best regards,

Boyd J. Landry  
Executive Director
